* part of time allocated for Dialogue4LivingAreas (aim at implementing a sustainable Euro-Mediterranean Green Living Areas' Institutional Dialogue Association Nice City) - cooperation with Euro-MED

** exact location to be confirmed

*** **Objectives:** The 2-days innovation camp focuses on exploring opportunities to strengthening smart specialisation for sustainability in the Adriatic and Ionian Macroregion. Participants will know about the approach proposed by the Interreg Euro-Med Mission Innovative Sustainable Economy institutional dialogue project to address complex environmental and social challenges. The results of the innovation camp will be used to define the basis for the collaboration between the Euro-Med Mission community and the EUSAIR stakeholder networks.

Expected participants: local, regional, national and macroregional policy makers, smart specialisation and territorial development researchers and practitioners, and other stakeholders from the Mediterranean innovation ecosystem.

Three Fora: Forum AIC, UniAdrion, FAIC (Adriatic and Ionian civil society, Forum of Cities, Universities and Chambers of Commerce)
