Subject: Facility Point Plus – Outcome of the eligibility check of the cross-pillar project idea ‘Using high quality Research to strengthen dialogue and institutional capacities for effective implementation of MSP /ICZM in support of inclusive and sustainable growth in the AIR’

Application reference: < FPP_03 – Using high quality Research to strengthen dialogue and institutional capacities for effective implementation of MSP /ICZM in support of inclusive and sustainable growth in the AIR >

Dear all,

With reference to the above application and having checked the documents in support of the eligibility of your cross-pillar project idea,

I am pleased to inform you that the Government Office for Development and European Cohesion Policy acting as a contracting authority for cross-pillar project development has decided that your application is eligible for technical support of the concerned cross-pillar idea within the project ‘Additional support to the EUSAIR – Facility Point Plus’.

Please note that this letter does not give you a right to the technical support. You will not acquire that right until the successful completion of the public procurement procedure for hiring external experts for project development.

Yours sincerely,

Dr. Iztok Purič
