Dear EUSAIR Governing Board members,

following the conclusions of the 22nd Governing Board meeting (22/02/2024) and on behalf of the EUSAIR Presidency we are hereby launching the **a Governing Board Written Procedure to gather National Coordinators confirmation in relation to the approval of the EUSAIR Revised Action Plan Pillar 2 Topic 2.4 Energy Networks and Topic 2.5 Green Energy as well as Pillar 3 Indicators.** The Revised Action Plan sections were beforehand already approved within relevant TSGs in the past days. After the Written Procedure closure these sections will be combined with the EUSAIR Revised Action Plan approved at the 22nd Governing Board meeting and sent to the European Commission as the final input document for the EC Staff Working Document.

In compliance with the article 6.3 of RoP, National Coordinators can take decisions by written procedure. Following the above-mentioned Governing Board conclusions, the written procedure is shortened from standard 22 calendar days to 7 calendar days. **Replies must therefore be provided within 7 calendar days, i.e. 16 April 2024 and the absence of reaction will be taken as silent agreement.**

If no objections are raised within the above-mentioned deadline, the present Written Procedure will be considered as approved.

Thank you in advance for your kind cooperation.

With kind regards.
