

Dear Sir or Madam,

Some time has passed since the 2nd EUSAIR Annual Forum was held in the beautiful city of Ioannina (Greece) under the Hellenic Presidency from 11 to 12 May 2017.

The motto of the forum was: “Think macro-regionally, act locally.”

More than 570 participants attended the forum and we hope that many partnerships have been established since then.

We are happy to share with you the [Report](#) from the forum, in which you can find the key messages and insightful thoughts of the prominent speakers.

You are invited to check the [Report from the B2B meeting](#) and the [Report on the Monitoring and Evaluation of the progress of EUSAIR session](#).

We would also like to bring your attention to the [Ioannina declaration](#) adopted by the Government Representatives of Albania, Bosnia and Herzegovina, Croatia, Greece, Italy, Montenegro, Serbia and Slovenia.

The speakers' biographies, presentations and sessions' reports can be found [here](#). The [list of participants](#) is available for download.

You are also invited to check photos on [Flickr](#) account.

The forum was web-streamed; you can find the video of the first day [here](#), and video of the second day [here](#). In the description of the videos you are able to navigate between different plenary sessions.

We congratulate again the organizers under the presidency of Hellenic Republic in cooperation with European Commission for this great event and thank you for all your efforts taken towards a *Prosperous and integrated Adriatic-Ionian macro-region!*
