

**Joaquim Oliveira Martins, Head of Regional Development Policy Division,  
Organisation for Economic Cooperation and Development (OECD)**

**Joaquim Oliveira Martins** is the Head of the OECD Regional Development Policy Division, where he supervises projects on *regional and urban development, multi-level governance, regional statistics and well-being*. He was former Head of the OECD Structural Economic Statistics Division, where he developed *Trade & Globalisation* studies, *Productivity measurement* and *Business statistics*. He was also Senior Economist at the OECD Economics Department. Among many OECD publications, he coordinated and authored reports on *Competition, Regulation and Performance, Policy Response to the Threat of Global Warming, Health Expenditure Projections, Investment in Tertiary Education and Ageing & Growth*. As Head of Desk for Emerging markets, he was in charge of the first Economic Surveys of *Brazil, Chile* and several *transition countries*. Before the OECD, he was Research Fellow at the *Centre d'Etudes Prospectives et d'Informations Internationales* (CEPII, Paris). He holds a PhD in Economics from the University of Paris-I, Panthéon-Sorbonne, and is currently Associate Professor at the University of Paris-Dauphine.
