

From Results to Uptake: Capitalizing Project Results for Policy Impact and Future Programming

24th June 2026, Hotel Continental

Rimini (Italy)

The IPA ADRION Programme is pleased to invite you to the capitalization event *From Results to Uptake: Capitalizing Project Results for Policy Impact and Future Programming*. This event will provide an opportunity to present the Programme's capitalization strategy, while fostering discussion and exchange of good practices among beneficiaries, key stakeholders, and institutional representatives.

The first part of the event will focus on exploring the role of capitalization approaches within Interreg programmes, highlighting their dual function: enhancing the uptake of project results and serving as valuable support for identifying the priorities of the future programming period.

The second part will be dedicated to thematic cluster discussions, offering participants the chance to engage in more in-depth exchanges, share experiences, and strengthen peer learning.

Draft Agenda

9:00 - 9:30 Registration of participants

9:30 – 9:40 Welcome greetings and scope of the conference

9:45 – 10:30 ROUNDTABLE How Programmes contribute effectively to a more cohesive Adriatic-Ionian region

The discussion will focus on the strategic value of capitalization in the Adriatic-Ionian area and on how project results can contribute to wider territorial challenges and macro-regional priorities. The roundtable will also reflect on the role of cooperation programmes in ensuring that knowledge, practices and solutions developed by projects remain relevant beyond project implementation.
